Teriyaki Rice Bowl Recipe
2 oz. Broccoli (about 5-7 crowns)
2 oz. Snow peas (about 5-7 pods)
1 Bowl Cooked Rice (see ad)
1-2 oz. Teriyaki Sauce to taste

Place vegetables, and contents of cooked rice container into large microwaveable bowl. Cover and place into microwave for 3 minutes. The moisture from the vegetables and the rice will steam the veggies. Stir. Cover and place in microwave for an additional two minutes or until steaming. Be careful removing cover, steam can burn! Pour teriyaki into bowl and stir. Try adding cooked chicken breast (available from our freezer section) or Tofu (available in the produce section).

All items in this recipe are available at Cascadia Market.
