

PRIVACY IN THE RESIDENCE HALLS

Less than 10% of all rooms on campus are single occupancy.

Students in shared rooms create roommate agreements after talking about what privacy is expected and agreed to in the room.

Female-only Homestay is available upon request.

Sackett Hall offers single-gender wings

Most rooms are double occupancy and located along a mixed-gender corridor with single-gender common bathrooms.

Standard double rooms have two twin beds, wardrobes, and desks.

Common restrooms and showers are located on each floor. Restrooms are cleaned daily. Showers are individual stalls with private changing area.

Suite-Style rooms are usually two double or single occupancy rooms that share a connecting bathroom.
