Before you arrive

Check your arrival time
Before traveling to campus, please check your MyUHDS for your assigned hall, room, roommate information, and arrival time. We assign move-in day arrival times by the hour to help with traffic flow, elevator availability, and volunteer staffing. myuhds.oregonstate.edu

Stay informed
Familiarize yourself with the move-in guide available on the UHDS website and the New Student Guide app downloadable to smartphones. Here you will find campus maps, check-in information, and frequently asked questions. Also, pay attention to your ONID email.

App: guidebook.com/app/OSUGuide

Unwrap and unbox at home
Unwrap new items from cardboard and packaging before coming to campus. This saves space when you pack and helps prevent an overflow of the campus recycling bins during move in.

Be alert, be prepared
Students can sign up to participate in the OSU Alert system to be notified via phone call, email and text in the event of an emergency on campus.

UHDS recommends that all residents purchase supplemental insurance to cover personal property in the event of theft, fire, or other disaster. Students can purchase coverage through their family’s existing provider, or through one of many insurance agencies.

Move-in tips

What to bring/what to leave
Review the online list of items to bring and note that certain items are not allowed in the residence halls. uhds.oregonstate.edu/what-to-bring

Bringing your OSU ID card
Having your OSU identification card at check-in is helpful and saves you steps. If you did not pick up your card during a START session, please pick it up at the OSU ID Center in the Memorial Union, room 103.

Loft kits
To help maximize space in your residence hall room, UHDS rents students in most halls loft or bunk kits for the school year. Check our website to see if your furniture can be bunked or lofted, then sign up via MyUHDS. Cost is $210. uhds.oregonstate.edu/loft-kits

MicroFridges
A MicroFridge is a mini refrigerator, freezer, and microwave combination. They are provided free of charge to each Economy Triple room, all suites in Tebeau Hall, and all sophomore and above-designated spaces. Halsey Hall suits feature an under-the-counter refrigerator/ freezer and a counter-top microwave. Students living in other room types may bring a small refrigerator or MicroFridge that meets specifications in our “What to bring” list.

Move-in day: Sunday, September 17

Move-in Day Steps

1. When you arrive during your scheduled move-in period, you may go directly to your residence hall. Use caution and watch for atypical traffic patterns.
2. When you get to your residence hall, please unload your vehicle as quickly as possible so that others can unload as well. Volunteers will be outside of the building to help you. Once your vehicle is empty, please move it to a designated long-term parking area prior to completing your check in.
3. A volunteer will help you check in and pick up your room key with Service Center staff.
4. Volunteers and equipment will be available to assist with moving your belongings to your room. New residents must fill out a Room Condition Report on MyUHDS within 24 hours and note the condition of their room to avoid any charges upon move out.

Note: Students arriving after 8 p.m. will check in with the Resident Assistant on duty.
