

2022 Move-In Guide

Welcome to **Beaver** Nation

Move-in is Sept. 17-20, 2022. Find your day and time at uhds.link/portal

Dear New Beaver,

We are working hard to prepare for you and your classmates to arrive here on campus very soon! We are excited to meet you and assist you in your journey as a resident of Beaver Nation. To that end, we have been focused on developing an environment that feels welcoming, assists you in making connections and finding resources at OSU, and helps to advance your academic ambitions.

Your success as a person and as a student is our highest priority, and we also recognize that it is a shared responsibility in partnership with you. As you prepare for campus life, please review the information in this brochure and on our website, and contact us with any questions. Also, familiarize yourself with the UHDS Policy Guide which has valuable information about our shared responsibilities, including updated information regarding how we are managing COVID-19 in the residence halls.

So many opportunities await you at Oregon State, and we want to provide the support you need to find your home away from home here.

Stay safe, stay healthy and welcome to Beaver Nation!

GET READY

Know your arrival details

Move-in will span Sept. 17-20, 2022. You have an assigned date and arrival time based on your room assignment. Before traveling to campus, check the housing portal to confirm your hall, room, roommate information, and assigned arrival window. [uhds.link/portal](https://uhds.oregonstate.edu/portal)

If you'll be arriving early as part of an approved group (EOP, marching band, etc.) follow the move-in instructions provided by your program.

Plan what to bring

Review the "what to bring & leave behind" information on our website for tips on what to pack and note that certain items are not allowed in the residence halls. [uhds.link/what-to-bring](https://uhds.oregonstate.edu/what-to-bring)

Unwrap and unbox at home

Unwrap new items and dispose of the cardboard and packaging at home. It saves space when you pack and helps prevent an overflow of the campus trash and recycling bins.

Make note of your mailing address

You can see your assigned campus mailbox in your housing portal. Please note that your mailing address is different than your residence hall room number.

Consider supplemental insurance

All residents should consider purchasing supplemental insurance to cover personal property in the event of theft, fire or other disaster. Students can find coverage through their family's current provider or another insurance agency.

BEAVER HEALTHY

Confirm your vaccination status

There is a COVID-19 vaccination requirement for students who plan to participate in-person in university activities, including learning, research and engagement. (For more information, please see OSU's COVID Vaccination policy.) Upload proof of vaccination by Sept. 15 via your Student Health Services portal or complete the exemption process. studenthealth.oregonstate.edu

Safety and success

Review the Student Health Services website for current COVID-19 policies and protocols, including those that address the use of face coverings, isolation and quarantine procedures and more.

Information specific to UHDS can be found in the UHDS Policy Guide. [uhds.link/policy-guide](https://uhds.oregonstate.edu/policy-guide)

COVID-19 testing and isolation

Oregon State is asking all incoming campus residents to complete a PCR or rapid-antigen test for COVID-19 no more than 72 hours prior to their scheduled arrival time. If a student tests positive or is experiencing symptoms, please contact housing@oregonstate.edu to make alternative arrangements for a later move-in. Due to the wide availability of vaccines, testing, and the determination by the CDC that higher education students in congregate living are considered "low risk," if a student is positive for COVID-19 while at OSU, they are able to isolate in their room with the ability to have food delivered.

ONCE YOU'RE HERE

Connect with your community

Be sure to introduce yourself to the Resident Assistant (RA) on your floor once you move in. They're a great resource if you have questions or need support during the year! Also, stay in the know about your side of campus via [@eastsidebeavs](https://twitter.com/eastsidebeavs), [@westsidebeavs](https://twitter.com/westsidebeavs) or [@southsidebeavs](https://twitter.com/southsidebeavs) on Instagram.

Watch for Campus Living

UHDS distributes Campus Living, a biweekly email newsletter, to residents during the school year. Watch your OSU email for the pre-move-in issue, which will have other helpful tips for making your move to Beaver Nation.

Enjoy campus dining

Your UHDS dining plan is good at most dining locations on campus and for mobile ordering and robot food delivery. When purchasing food in-person at dining center micro-restaurants you'll receive a 20% discount; for in-person purchases at many other café, restaurant or market locations on campus, you'll receive a 10% discount.

UHDS provides options and labels for vegetarian, vegan, and halal dietary practices, as well as gluten-free friendly foods, and the nine major allergens identified by the FDA. Learn more at [uhds.link/nutrition](https://uhds.oregonstate.edu/nutrition)

Participate in OSUWelcome

Move-in is your kick-off to activities and events that help you connect with other OSU students and engage with campus. Check the schedule at welcome.oregonstate.edu.

YOUR MOVE-IN DAY

What to do when you get here

- 1 Arrive on your assigned day and time. Use the traffic flow map to determine which route into campus you should take based on your residence hall.
- 2 Follow signage and UHDS staff instructions to your check-in area, where you will receive your room key.
- 3 Park in the designated unloading zone at your hall and unload your belongings. You will have 20 minutes to unload your vehicle.
- 4 Once you've finished unloading, move your vehicle to a long-term parking area. The parking structure at 26th and Washington or any long-term lot away from move-in activities is ideal.

Traffic flow at check-in

Move-in traffic will enter campus via 15th or 26th streets, based on your residence hall assignment. Traffic patterns are designed to make move-in as efficient as possible, and will vary from typical Corvallis traffic. Please follow the assigned route and do not rely on GPS or other navigation tools to find alternate routes, as this may cause disruptions.

Late arrival

If you are delayed and arrive between 4 and 8 p.m., proceed to your Service Center. If you arrive after 8 p.m., check in with the Resident Assistant on duty for your building. Contact information is posted at residence hall entries. [uhds.link/service-centers](https://uhds.oregonstate.edu/service-centers)
